AVO TECH INTERNATIONAL INC. MISSION STATEMENT

AVO Tech International Inc. being a research, development, testing, manufacturing and ware housing facility is committed to provide its customers with innovative, practical top-quality products and service that save time and improve the manufacturing of electronic components or the fabrication of PC boards, Ingot slicing to wafers, metal finishing, hard surface cleaners, and environmental processes. Our mission is to keep our customers happy in a partnership relationship to satisfy their needs which in turn helps the community. It is our organization's culture that customer comes first. We will continue to create quality products for our customers with the help of our vendors and strong financial position. AVO Tech would optimize our investments in materials, equipment and process technology to benefit our customers, to secure a superior return for our shareholders and provide extraordinary growth opportunities for our employees. We Value our people, who share our passion for customer satisfaction, embrace the highest business and ethical standards, and are located in all of the global markets where our customers conduct business. We work together in applied research and development programs, across company and functional lines and bring our competencies together to fulfill our mission. Our organizational culture also prepares us for constant change and fast response to meet our customer needs and expectations.

Mission Statement: Exceed Customer Expectation, Quality Products, Health, & Safety are our Priorities.

AVO TECH INTERNATIONAL HARD SURFACE CLEANERS

1. Institutional/ Industrial Strength (Hospitality and Food Industry)

- a. AVO 1010 Excelente: Multi-Purpose Cleaner & Rust & Blood Stain Remover
- b. AVO 1011 Fuerza: Scale Buster Driveway Cleaner
- c. AVO 1015 Descaler Boiler Water Treatment
- d. AVO 1020 Buffer Corrosion Inhibitor, & pH Controller, Phosphate Based for Cooling Towers & Boiler Water Treatment
- e. AVO 1025 Supper Oxygen Scavenger, Sulfite Based for Cooling Towers & Boiler Water Treatment
- f. AVO 2000 Fantasia: Glass & Hard Surface Cleaner
- g. AVO 2007 Milagroso: All Purpose Cleaner
- h. AVO 2011 Reneuvo: EPA Approved Microbiocide
- i. AVO 2015 Diamante: EPA Approved Disinfectant and Sanitizer
- j. AVO 3000A Virtuoso: Tile and Grout Cleaner and Degreaser
- k. AVO 3030 Luminoso: Dish Washing Detergent
- l. AVO 3035 Sueño Azul: Super Laundry Detergent Concentrate
- m. AVO 4000 Eureka Fantastica: Cleaner Degreaser
- n. AVO 4040 Immaculante: Carpet Spot Remover and Cleaner
- o. AVO 6005 Estopear: Floor Wax Stripper & Cleaner
- p. AVO 6006 Suelo Terminado: Heavy Duty Floor Finish
- q. AVO 6040 Sereno: Silicon Cutting Fluid
- r. AVO 6050 Sterling: Diamond Wire Saw Silicon Cutting Fluid
- s. AVO 7000 Admiral: Silicon Wafer Cleaner
- t. Etc.

Note: Products are available in 1 gal., 5 gal., 55 gal Drums, Totes

2. Household Hard Surface Concentrate Cleaners

- a. AVO 1010 Excelente: Multi-Purpose Cleaner
- b. AVO 1050 Marveloso: Toilet Bowl Cleaner Refreshener
- c. AVO 1080 Rapido: Concrete Floors & Driveway Cleaner Degreaser
- d. AVO 2000 Fantasia: Glass & Hard Surface Cleaner
- e. AVO 2007 Milagroso: All Purpose Cleaner
- f. AVO 2015 Diamante: EPA Approved Disinfectant and Sanitizer
- g. AVO 3000A Virtuoso: Tile and Grout Cleaner and Degreaser
- h. AVO 3030 Luminoso: Dish Washing Detergent
- i. AVO 4000 Eureka Fantastica: Cleaner Degreaser
- j. AVO 4040 Immaculante: Carpet Spot Remover and Cleaner
- k. Etc.

Note: Products are available in Ready-to-Use, One qrt, ½ Gal., and 1 gal

3. Hotel/Motel Industries

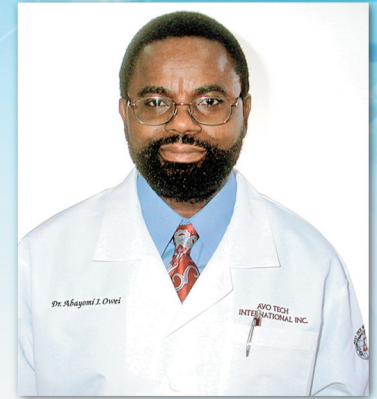

- a. AVO 4015 Optimum Multi-Purpose Cleaner Degreaser, Furniture Polish & Control
- b. AVO 4035 Mudanza Food, Ink & Blood Stain Remover
- c. AVO 2010 Nature Aqua Air Refreshener.
- d. AVO 3040 Solace Laundry Fabric Softener that provide Comfort
- e. AVO 3045 Booster Laundry Fabric Whitener
- f. AVO 4010 Mega-drain Opener & Odor Control
- g. AVO 2000 Fantasia Multipurpose Glass & Silicon Wafer Cleaner & etc.

HISTORY OF AVO TECH INTERNATIONAL INC.

AVO Tech International Inc. was officially established in March of 2005. Avo Tech was founded by Dr. Abayomi I. Owei who had worked with Enthone/Cookson Electronics Group for 22 years including all the acquisition during his tenure with the organization. Avo Tech International came into existence as result of Enthone Irvine facility closure and Dr. Abayomi I. Owei envision the need of a satellite Laboratory on the west coast of USA to address the needs of Enthone customers globally. This business venture by Dr. Abayomi I. Owei was a very bold move and he is currently hired by Enthone as Consultant to address the needs of Enthone customers especially in Electronics and Solar Technology products. Dr. Abayomi I. Owei has over 30 years of broad professional experience in the Electronics, photovoltaic, Aerospace, Metal finishing and General industry areas. He is the holder of several patents and published numerous papers in both Scientific and non Scientific journals. Dr. Owei academic background is very extensive. He holds the following degrees from various Universities:

- **BA Cum Laude in Chemistry and Biology and a minor in Physics**
- **MS Chemistry**
- **MSPH (Medical Parasitology & Laboratory Practice) Tropical Medicine**
- **MPH (Master of Public Health in Industrial Hygiene & Occupational Health)**
- **MBA (Master In Business Administration)**
- **PhD (Environmental Chemistry and Science)**

Dr. Abayomi I. Owei
President/CEO
Principal R&D Scientist

TESTIMONIALS

Dr. Abayomi Owei is somebody you can trust. He is there for you. He is dedicated, hardworking knowledgeable and most of all, honest. I have known Dr. Abayo for more than ten years and he is the person you can rely on. He knows his stuff and will work very hard with you to get results.

Sonia Valenzuela
Quality Assurance Engineer
Innovative Surgical Products

AVO Tech International Inc. offers high quality service and expert analysis. AVO Tech combines technical competence with dependability. AVO Tech utilizes a variety of analytical techniques to assist customers in solving their technical problems expeditiously and with much accuracy.

Mountain State regional Manager
Technica USA Inc.

QUALITY PRODUCTS, HEALTH, & SAFETY ARE OUR PRIORITIES

SPECIALIZING IN THE FOLLOWING AREAS:

The company is a research development and testing oriented organization with well-seasoned Research Scientists, Environmental Consultants, and experienced formulators designed to exceed customer expectations and specializing in the following disciplines globally:

Wafer Fabrication Process Chemicals (Solar & Renewable Energy Technology)

- Recyclable Wire Cutting Fluids for Slicing Ingot into wafers with minimal Kerfs loss.
- Etching & Polishing Solutions
- Wafer Cleaners to remove Stains and Finger-Prints

Printed Circuit Boards Production Products with great quality which may include

- Alternative Oxide Process Product for Multilayer Board Fabrication Process in the Electronic Industry.
- Nickel, Solder, Tin and Photo-resist removers
- Solder/Tin Fluxes and Foam Suppressants/ Anti Foaming Agents
- Copper Conditioners and Etching products
- Alkaline and acid Cleaners and non chlorinated Screen Cleaners

Metal Finishing & General Industry Products

- Experts in Flash Rusting and Corrosion Problems
- Paints Coating and Graffiti Removers
- Corrosion Inhibitors/ Anti-Oxidants

Institutional, General Industry, and Household Cleaning Products

- EPA Approved Disinfectants and Sanitizers
- Multipurpose Cleaners
- Degreasers
- Drain Openers

Boiler water treatment & cooling tower products

- EPA Approved Micro Biocides
- Descalers
- pH & Buffer Control Product
- Oxygen Scavenger & etc.

Testing Services

- Analysis of waste water for contaminants such as heavy metals & etc
- Organic and Halide Content Analysis
- Peel Strength test for Adhesion Promoter of multilayer board (MLB) manufacture
- General Industry and Plating Bath Analysis
- Micro-sectioning for Defects in MLB process
- Photography for Corrosion and Other Metal defects
- Corrosion Analysis on metals and Chemical resistance test on metal parts and Plastic Containers

Aerospace Industry Products

- Glass and other Hard surface Cleaners
- Paint Remover
- EPA Approved Disinfectants and Sanitizers
